Open GENERAL ASSEMBLY Meets

5:00pm WEDNESDAYS

At U.H. Maui College Free Speech Stage

This is the living, breathing Occupy Maui Mission Statement:

We are creating a self-sustained thriving Maui. We are inspiring change and offer proactive solutions where "people and planet over profit" becomes the new paradigm with a consensus based direct democracy. We stand by the "Occupy Together Declaration" and are in solidarity with the global rEvolution. We set aside our personal agendas/egos as much as possible for the sake of the whole.
